-- Released: December 10, 2004

Offering 10% discount to IBA members through end of December!

Today's world is continually changing, but one thing has not – there are still only 24 hours in a day. We work harder, longer and we have less time for ourselves, family, friends and responsibilities. We have careers, families, children, extra-curricular activities, and community involvement. Our “to do” lists grow as fast as we cross items off. Keeping a balance in our lives is difficult.

A new service available in Indianapolis and surrounding areas, EK Errands Express, just may be the solution to your busy schedule. It's a gift of time, right at your fingertips! Can't take time off work to meet the furnace repairman or a delivery? Going on vacation or a short business trip and need to arrange for your mail to be brought in, plants watered, lights rotated, someone to make sure your home was secure while you are away? Need care for your pets in your absence? Have gift or grocery shopping to do? Need a package delivered or bill payments dropped off? EK Errands Express offers a wide variety of personal services to busy individuals and professionals, as well as to businesses.

Personalized services are fast becoming something people can't live without. Business services are more popular because they save valuable time and money -- employees can concentrate on business issues without the worry of day-to-day office needs. “EK Errands Express will take care of those time consuming errands so you can enjoy doing the things you really want and love to do,” says Murphy, who has worked at a law firm for the past 18 years and knows the demands on busy legal professionals' time.

The hourly fee is fair and reasonable. Gift certificates, personal & business packages are available. EK Errands Express is incorporated in Indiana and fully insured.

You'll love this personal service. EK Errands Express IS the solution to YOUR busy lifestyle! For more information, visit www.ek-errands-express.com or contact Jackie Murphy at (317) 698-8896 or (317) 356-4936 – your personal assistant and errand runner!
